

Opportunity for University Students:

Paid internship - HR department

Place of work - Stará Turá

Start date - January 2026

Wage (gross) - 8 EUR/hour. Hour gross salary from 8 €

Job description, responsibilities and duties:

As an HR Intern you have a great opportunity to build your experience in various HR functions, including all phases of employees' live cycle, and contribute to variety of projects & events that support engagement the business objectives.

Employee perks, benefits:

An internship at Honeywell has many advantages:

- you will verify the theoretical knowledge gained through study in practice in the environment of a manufacturing company and in cooperation with experts in your field,
- we will try to "tailor-make" the type of employment, working hours and type of cooperation (TPP, agreement,..) - i.e. adapt it to your possibilities, needs and schedule,
- we count on you even after graduation - if you like it with us, you can build your career at Honeywell,
- and you will also earn money!

This internship is suitable for you if:

- you are a university student, ideally in the field of human resources - full-time, external, individual (student status is important) or you have completed your university studies (within 12 months of starting the university internship)
- you would like to continue working at Honeywell after completing your internship and university studies
- you work with MS Office
- it is possible for you to work directly in the office in Stará Turá (home office, remote is not possible) at least 2 days a week for a few hours
- you have knowledge of the English and Slovak language at a communication level
- willingness to learn, responsible approach to work, independence and flexibility, ability to work in a team, proactive approach, results orientation, ability to solve multiple tasks
